The people of Southwest Arkansas think they have observed a preference in the Little Rock Gazette for the Little Rock and Fort Smith Railroad over the road from Little Rock to Fulton, as a part of the Southern Pacific. It is said that the sympathies of Little Rock citizens are the same, and it appears that the columns of the Memphis APPEAL are to be devoted to

The correspondent is correct. The have learned by sad experience may be managed to the detriment of and Smith. Fulton will be but a feeder for Cairo and older cities north of us, with whom we must contest for the palm of success. The future of Memassist in the building up of gigantic phis hinges upon a Pacific Railroad corporations to be run in the interests by the thirty-fifth parallel. Fortunof a few men who, like Sprague's ately for us, we have it nearly completed to Little Rock, and under way to Fort Smith. With that much the

thing in . the city - the souls and people of the Indian and other citizens Territories beyond, and the States inas well as its real estate. We know tervening between Tennessee and the that the "ring" stands ready to gulp Atlantic for us, it will go hard, but we will win with Congress, already down this morsel, this tit-bit, and we pledged to us in the Lower House by warn members of the Board of Mayor a majority of more than five to one. and Aldermen to be cautious how We are well aware that the voice of they are pressed upon by the plea-no the Memphis and New Orleans Condoubt honestly advanced by Mayor ventions are against us, (the former so because of the apathy of our peo-LEFTWICH-that this sale of stock is ple,) and we expect that to meet at necessary in order to meet the July Louisville in October will be equalty interest of our city bonds. Other marked in its expression of preference means can and must be devised, for a scheme which, as we have before There are ways and means out of the remarked in these columns, can never dilemma into which we have been to the fact that, instead of one, there thrust by the decision of the Supreme are a half dozen routes concerned in Court. They must be exhausted be- it, and just that much capital addifore so extraordinary a measure is tional to what the Northern Pacific Railroad has already in hand with even attempted. The Charleston which to operate against us. Yet,

Railroad is a lesson that the people of notwithstanding the judgment of Memphis will never forget. It has these bodies, we are determined, in passed, with the sale of their stock in common with our brethren in Arkan-It for ever beyond their control. So sas and Virginia and those of it will be it our stock in the Ohio, our own State, to press the the Tennessee, or the Little Rock fifth parallel, because it is the claims of the route by the thirtyroad is sold. With our interest in these only one that promises anything for ompanies goes all voice or partici- Memphis. "The trade and travel, pation in their administration. This as the Little Rock Gazette says, " that road would nour itself almost exwould be especially the case with the elusively into Arkausas and Tennes latter; which, as it nears completion, see, whether the attraction were becomes more and more valuable to Northward or Southward," "Adopt," us. We trust and hope that good cit- as the Little Rock Liberal says, "the izens- and we have good citizens- line of the thirty-fifth parallel, and will come forward, and with the May- we have it vast and beautiful expans of country lying upon our West, that or and Pinance Committee devise by the natural course of, and laws of way out of this untoward condition trade, is tributary to us. Memphis, of affairs. We understand the banks from her position, would then be the are in easy condition. Conducted connecting point on the Mississippi from whence would radiate all the vaby liberal men who have all their interests here, we believe they will North, as well as to the Southeast. help if only reasonable security is ten- She would become the great wholesale mart of the lower Mississippi.

As the Mayor says, our honor the same time Little Rock would be depends upon it. Yet, we say the the gateway, as it were, to the Pacific. In addition to the present Fort Smith route, there would be one running his must not be sold, if we have to the south side of the Arkansas. This issue scrip as security, three for one, would run for miles through the finest redesimable as per the contract of the coal fields in the State. The present city with the Merchants National insurmountable obstacle of want o Bank. We must save the stock and tiful supply of coal secured at cheap foil the "ring" once more; and we rates, Little Rock, as could also Memmust saye the credit of our young and phis, would become a manufacturing

growing city, sorely pressed as it is city." Quoting again from the Liberal, we from within and without. We are answer the correspondent of the Stoudassured that the city can be accommo lated with a loan by the hypothecation of scrip as above suggested, on the Fulton route. Our contemporary suggests that while Little Rock might usual or current rates of interest; such | be benefited by the passage of the Fulcompletely isolated. He says, and ad those of a special tax for that purpose. If every word applies with force to th this plan is feasible we hope it will be situation of Memphis: "The Cairo tried, and at once. Of the two we had and Fulton would form the main and would pass by our doors. By the Under this head we published on Saturday last some very grave charges alleged against STOKES by the Hartsville Vidette, all of which, in a note
